

ALTAR VALLEY ELEMENTARY SCHOOL DISTRICT

PERFORMANCE PAY PLAN

2024-2025

The purpose of the individual teacher performance pay plan is to reward teachers for outstanding student performance, enhance collegiality, encourage positive school and community relations, and promote continuous professional development. The system used is designed to be both achievable and professionally responsible. Appropriately certified personnel must complete the plan according to the District guidelines in order to receive the pay for performance. These activities are designed to be above and beyond the regular expectations of Altar Valley School District teachers. A primary and required component of the Altar Valley 301 plan is measurement of student achievement through district assessment tools.
